

February 8, 2008

Dear Team Representative:

Your team has been accepted to the Oakwood Winterbreak Indoor Soccer Tournament. Tournament schedules are posted at www.oakwoodsoccer.com. Tournament rules, laws of the game, roster forms and driving directions can all be found there and printed. All schedule updates will be posted there as well.

When arriving for your tournament please check in at the front desk to confirm your arrival and to receive any schedule updates. Remember to bring your signed roster/waiver form also to be handed in prior to participation. **A parent signature is required for all players under the age of 18 years of age. All players must have shin guards and uniforms with permanent numbers to participate.**

All Connecticut youth players are required to register with Connecticut Junior Soccer Association for insurance purposes. The fee is \$3.00 per player to be paid once yearly. The fee covers players indoors only at Oakwood-Glastonbury. The fee should be attached to copy of your roster and turned in at the front desk prior to playing, with payment in the form of one check or cash. Remember, this fee is paid only once per year per player by in-state players only. **Out-of-state youth teams must present permission to travel papers prior to participation.**

Please visit our newly designed clubhouse & cafe for your breakfast, lunch and dinner needs. Snacks, burgers, sandwiches, nachos, and more! **Please advise your parents and players that no food or beverage (other than water jugs) may be brought into the premises.**

Additional parking for Oakwood Glastonbury patrons is now available at the Hartford Hospital Medical Building and the Glastonbury Corporate Center during all non-business hours and holiday periods.

The Oakwood Soccer Specialty Store will feature all the latest soccer gear all weekend as part of a tournament sale.

Good luck in your matches.

Sincerely,
Oakwood Sports Center
