

# Bill Landers Building Bridges

Memorial 5K Run/Walk  
Hubbard Green  
Glastonbury, CT

On Sunday, May 16 at 8:00 a.m. please join the community of Glastonbury for the second annual Bill Landers Building Bridges Memorial 5K Run/Walk of the Glastonbury Education Foundation! Proceeds from the run will benefit the Bill Landers Memorial Scholarship and the grants and activities of the Glastonbury Education Foundation.

Bill Landers, a former Foundation board member, and beloved member of the community, passed away in September of 2008 after battling cancer. Bill played varsity soccer for Glastonbury High School and was a member of the GHS class of 1983. He remained a lifelong fan and supporter of the Tomahawks sports programs. He earned his college degree from Eastern Connecticut State University and founded his own successful company, Xsellense, Inc. Bill was also a Hartwell youth soccer coach and an avid runner.

In 2009, 348 people registered for the inaugural Bill Landers Building Bridges Memorial 5k Run/Walk. An additional 30 kids participated in the Kids Fun Run around Hubbard Green. The run received strong support from the community and was a great success.

This year, we have added a team competition to the event and are upgrading to chip timing to offer more accurate and timely results. This event is also the beneficiary of volunteers from Smith Middle School's Team Voyageur.

To honor Bill and his dedication to education and his community, the Glastonbury Education Foundation established a \$1,000 Bill Landers Memorial Scholarship in 2009. Due to an outpouring of community support, the 2009 Bill Landers 5K was a tremendous success enabling us to add another scholarship in 2010. As a result, one male and one female member of the graduating class student will be selected to receive a \$1,000 scholarship to offset their expenses at one of the CT State University system schools.
