

2009-2010 Commitment Letter U9/U8 Players

The Oakwood Soccer Club is proud to be considered one of the most reputable, best operated, and most successful soccer clubs in the country. In order to maintain and protect this reputation, it is the policy of the Oakwood Soccer Club that all players and parents abide by the following:

- During all playing seasons, I will make every effort to make all scheduled practices, games and tournaments. If conflicts arise, I will contact my head coach. Players missing practices or games will 'make-up' on another night, with another team in the club closest to their age group.
- **I will meet my financial obligations on time and provide a credit card number to guarantee the payment schedule below.** The Oakwood Soccer Club is a non-profit organization and it is required to pay many fees up front such as: league, tournament, field rentals, as well as other necessary operational costs.
The financial status of players sustaining a year ending injury will be dealt with on an individual basis.
- It is the goal of the Oakwood Soccer Club to assist in the individual and team development of young student-athletes within a team framework.

By signing this commitment letter that I agree to conduct myself with the highest level of honesty, dignity and integrity. This letter applies to players at all times during the year, both on and off the field, in season or not.
